

INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE
16-17 SEPTEMBER 2022
NUR SULTAN, KAZAKHSTAN

Operationalizing Chemical Flooding – Making it Happen

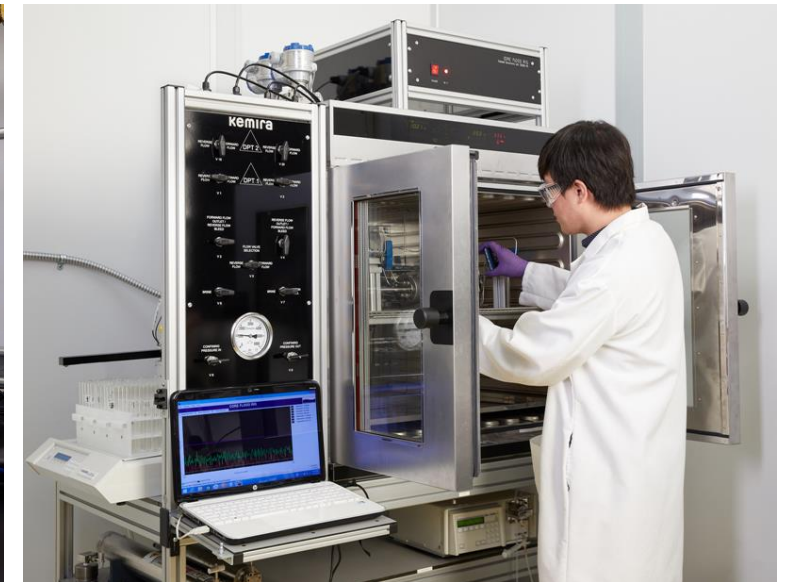

KEMIRA OILFIELD SERVICES

kemira

Chemistry

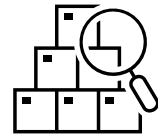

- Reservoir Specific
- Optimized Performance and Stability
- Continuous Improvement

Logistics

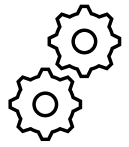

- Dedicated polymer fleet
- Tracking and scheduling
- Polymer & equipment

Inventory

- Stock & replenishment
- Environmental compatibility
- End-use proximity

Facilities

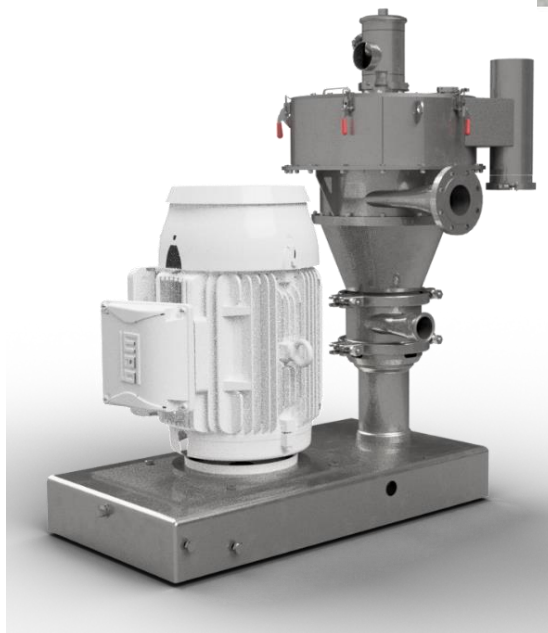

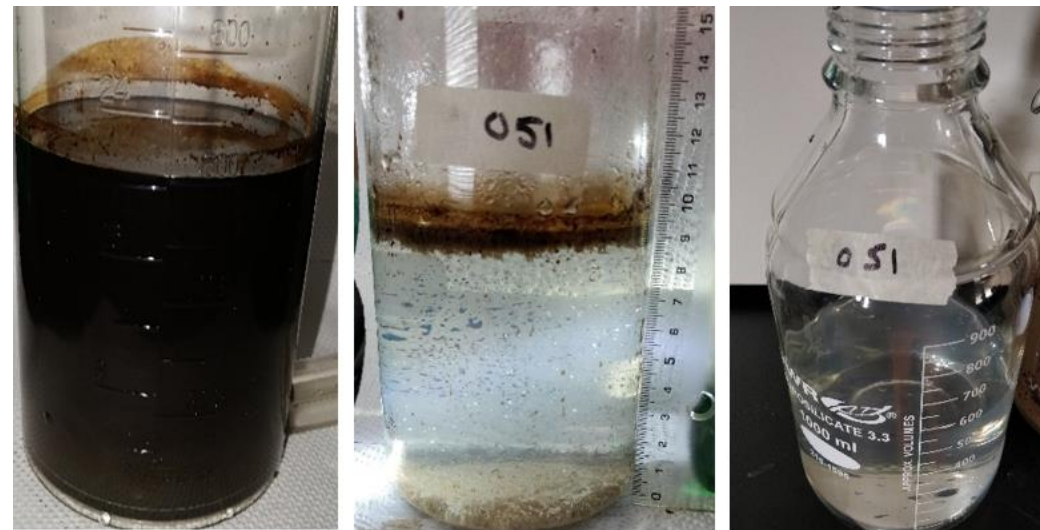

- Injection water treatment
- Injection equipment
- Hydration equipment

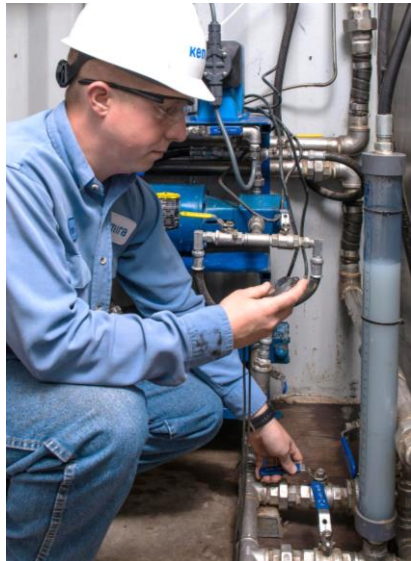

Process

- QA/QC control
- Process optimization
- Produced water monitoring

✂ Troubleshooting

- On-site support
- Training & competency
- Up-time & maintenance
